

PRIVATE DRIVEWAY WIDENING AGREEMENT

Koochiching County will widen a private driveway only in a snow emergency if there is not large enough equipment available in the area to do the work.

The requesting party will be responsible for the following:

1. If a special trip must be made, all costs from the time the County equipment leaves and returns to the County garage.
2. All costs of repair to County equipment if damaged while on the private property.
3. Costs of additional equipment necessary to assist the primary unit should it become stuck.
4. Any damage to the requesting party's private property.
5. Court costs, if necessary, to recover any costs not covered by the initial payment.

A minimum of \$35.00 shall be charged in advance.

Person shall sign this agreement and pay the cost of widening prior to work being done.

The widening will not be done as a service on a regular basis.

Opening of private driveways ahead of emergency vehicles will not be charged.
